WELCOME! A NOTE TO VISITORS

If you are visiting this Sunday, a very warm greeting to you!

We are delighted to welcome you and trust you will feel very much at home in this beautiful place. For 120 years, St. George's has continuously been a place of warm hospitality and worship for many visitors to this National Park from all over the world.

It has been the practice of St. George's for some time to alternate the two Anglican rites, the Book of Common Prayer and the Book of Alternative Services, so that there is a celebration using each rite each Sunday.

One of the challenges we face is ministering to the very many young seasonal employees in the park, many of who are away from home for the first time. We have begun this by supporting and connecting with the Living Room, a programme of the Banff Service Industry Network reaching out to 18–30 year old workers in our service industry.

And we are following a dream to build a programme of Wilderness Spirituality, helping residents and visitors deepen their relationship with God in the context of the incredible beauty which surrounds us, and exploring the theological implications human care for the environment.

We invite you to check out our website: www.stgeorgesinthepines.org. We are a small congregation and struggle to provide the resource to keep our ministry vital and the church building cared for. You may feel called to share in this support. There are visitors' envelopes on the back table, and your gift will be responsibly used and much appreciated. If you wish to help in a larger and more visionary way, please speak to the rector or wardens.

May God bless you in your visit to Banff and your return home.
